4 DAY SURGICAL & 3D IMPLANT TRAINING

AGUSTA, GEORGIA

Only course given in a USA accredited University where dentists from 50 States in the USA territory and Canadian dentists will be granted temporary resident status for the purpose of working on patients. Course taught at the department of oral and maxillofacial surgery at GHSU by four board certified oral surgeons.

WORKING ON PATIENTS: Two days of lecture, 3-D computer guided training and followed by two days of surgeries on patients.

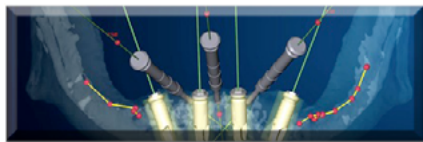

NUMBER OF PATIENTS PER DOCTOR: Each dentist will work on 2 patients selected according to their level of experience. We will train Novice, Intermediates and Advanced dentists. Doctors can either bring their own patients or have the course provide them for them.

WORKING TEAMS: 2 doctors per room. 1 instructor per operatory.

COURSE PROVIDES: All implants placed on patients, PRP, Bone and membrane used, basic surgical instrumentation, motor, handpiece, surgical kit and sinus lift kits, course manual, 32 ADA CERP CE hours, daily lunch and transportation.

LIMITED ATTENDANCE: 24 Dentists

TUITION: \$8,500 (For registration see www.liveimplants.com)

7 DAY INTENSIVE SURGICAL IMPLANT TRAINING

PUERTO VALLARTA, MEXICO

This is the most intensive surgical training available in the Americas. It was created for those dentists that need to enhance their surgical skills. This is achieved by spending one full week divided by one day of lecture on surgical techniques and six days of surgeries on patients under direct supervision of USA accredited surgeons.

WORK ON PATIENTS: USA, Canadian and dentists from all over the world will be granted resident status.

NUMBER OF PATIENTS PER DOCTOR: Each dentist will work on 7-8 patients selected to match each doctor's level of experience.

NUMBER OF IMPLANTS PLACED BY DOCTOR: Each dentist will place an average of 25-45 implants per course. This depends on doctors surgical level of experience.

WORKING TEAMS: 2 doctors per room. 1 instructor per operatory.

COURSE PROVIDES: All implants placed on patients, PRP, Bone and membrane used, basic surgical instrumentation, motor, hand piece, surgical kit and sinus lift kits, course manual, 56 AGD credit hours and 25 ICOI CE hours towards fellowship, daily lunch and transportation.

LIMITED ATTENDANCE: 12 Dentists

TUITION: \$13,500 (For registration see www.liveimplants.com)

3 DAY BASIC SURGICAL IMPLANT TRAINING

PUERTO VALLARTA, MEXICO

Designed to increase surgical clinical confidence by allowing dentists from all over the world to place implants and perform bone grafting procedures on patients. Each surgery is supervised by USA accredited implant surgeons. Each doctor will work according to their own level of training. The course will be tailored made to accommodate from simple implant placement to complex bone grafting cases.

NUMBER OF PATIENTS: Each doctor will work on 2 patients.
Canadian and US doctors will be granted resident status.

NUMBER OF PATIENTS PER DOCTOR: Each dentist will work on 3-4 patients

WORKING TEAMS: 2 doctors per room. 1 instructor per operatory.

COURSE PROVIDES: All implants placed, PRP, Bone and membrane used, basic surgical instrumentation motor, hand piece, surgical kit and sinus lift kits, course manual, 24 AGD credit hours and 25 ICOI CE hours towards fellowship, daily lunch and transportation.

LIMITED ATTENDANCE: 12 Dentists

TUITION: \$9,500 (For registration see www.liveimplants.com)

2 Day Bone Grafting Training

MIAMI, FLORIDA

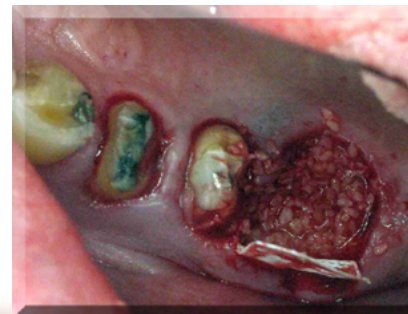

This course was created to teach GP's basic bone grafting procedures that are essential in the everyday general practice. Florida licensed dentists will be able to perform surgery on their own patient and all other dentists will perform grafting procedures on anatomical models.

TEACHING FORMAT: One day of lectures and model workshop and one day of surgeries on patients.

COURSE PROVIDES: PRP, Bone grafting and membrane materials, bone grafting surgical instrumentation, anatomical models, motor, hand piece, surgical kit, sinus lift kits, course manual and 16 ICOI CE hours towards fellowship, daily lunch and transportation.

LIMITED ATTENDANCE: 18 Dentists (Florida licensed dentists, a maximum of 6. All other dentists, a maximum of 12

TUITION: \$2,200 doctors working on models.
\$3,500 doctors working on patients (Florida Licensed)
(For registration see www.liveimplants.com)
